Friend,

To help you maximize your 2017 charitable tax deductions,

we've prepared your **personal annual giving statement** showing how much you've given to EDF so far this year:

Membership Status: Current Activist

Total 2017 Donations: \$0

IRS Deadline: 11:59pm, December 31, 2017

According to our records, you've been an active member of EDF's Action Network in 2017, but you haven't yet made a 2017 donation.

There's still time to maximize your 2017 deductions by making a gift to our Year-End Matching Gift campaign today. Your gift will be tripled in value as long as it is received before midnight, December 31.

Your tax-deductible gift can fight back against President Trump and EPA Administrator Pruitt's reckless assault on our environment and health.

Plus, we'll keep pushing for pro-environmental policies in your area and other states, and working with local governments and allies around the world to help countries like China, India, and Brazil curb climate pollution.

So far, 6,366 new members have joined EDF and had their first gift matched \$2-for-\$1. **Will you help us reach our goal of welcoming 7,500 new members by December 31 by making your first gift today?** Every dollar you donate will unlock two more.

Thank you for everything you've done for the Earth this year,

Emily Stevenson

P.S. If you recently made a gift by phone or by mail, your online giving profile may not have been updated yet. **Please accept our deepest thanks for your generous support.** We'll send you a final giving summary for your tax purposes on or before January 31, 2018 reflecting all of your 2017 gifts.
